## **Fifa 22 tips and tricks:**

- Play FFT with friend! Call up your footballing buddy and go head to head! Your progress and gameplay statistics will be recorded and can be counted towards the reputation ranking of the club. You can also challenge the world record marks set by other players.

- 
- Keep searching! Use the Teammate Radar to spot and call up teammates or just when you play online around the world you may find teammates.
  - Corner! Just like in real life passing and crossing the ball is crucial so make sure you find the nearest open player and get them the ball for a chance!
  - Keep team shape! Get into a shape that allows you to move freely as this is often where better movement and more chances will happen.

**“FIFA” stands for “Fédération Internationale de Football Association,” the official governing body of football around the world. It is the world's biggest and most popular video game franchise, and the third-best-selling video game franchise of all time (after Call of Duty and Grand Theft Auto). The series is also published by Electronic Arts. Which year does the game cover? As previously mentioned, this year's edition is FIFA 22, and it was released in September 2016. How much will FIFA 22 cost? FIFA 22 is available on Xbox One, PlayStation 4, and PC. As of now, it's sold at GameStop for \$59.99, but it can also be purchased at Amazon, Best Buy, the EA Store, Toys R Us, Wal-Mart, Target and other retail stores. Where can I play on Xbox One, PlayStation 4, or PC? FIFA 22 is available at any authorized retailer. You'll be able to play on Xbox One, PlayStation 4, and PC. How do you play FIFA? FIFA, as**

previously mentioned, is an annual video game in which you compete against 23 teams across four different leagues: NFL, La Liga, Serie A, and Ligue 1. The goal of the game is simple: Score more goals than your opponent (otherwise known as your opponent's goal scorers). You can do this by taking control of individual players like Lionel Messi, Wayne Rooney, or Andrea Pirlo. You can also play as your own club, like Tottenham Hotspur or Paris Saint-Germain. How do you control the players? You have three ways to control your team: One-Handed, Two-Handed, and Stick-Controller. One-Handed controls are probably what you're most familiar with, and it's the most traditional way to use the game. Two-Handed controls differ from traditional ones. Instead of using one button to switch formations, you use two buttons: one for defense and one for offense. The stick-controller is probably the most interesting. It's basically just a gamepad, but it allows you to use different formations and play at an ultra-fast speed. And once you have FIFA 22, you can play with up to a max of 30 players at one time, up from
